SUBJECT: IRAN: FALSE END-USE WATCHLIST DELIVERED

REF: STATE 164758

11. A/Political Counselor delivered reftel "false end use watchlist" for evaluation of export license applications to Iran to MFA senior non-proliferation officer Dionyssios Kyvetos on December 12. Kyvetos had no substantive response, but termed the list "very helpful" and said he would share it immediately with relevant Greek entities reviewing export license applications and/or regulating trade with Iran.
